Re: United States v. Percell Ross 21-CR-571(BMC)(LB)

Your Honor:

We write on behalf of the defendant with the consent of the government to request that the Court cancel the status conference currently scheduled for September 23, 2022. Judge Cogan has granted an evidentiary hearing on the defendant's motion to suppress which is scheduled for October 7, 2022, at 11:00 am. In light of the upcoming hearing, the parties do not believe there is a need to proceed with the scheduled status conference. The parties agree that the delay from September 23, 2022, to October 7, 2022, is excluded from speedy trial calculations pursuant to **18 U.S.C. §3161(h)(1)(D)**.

Best,

The parties' request is GRANTED. In light of the evidentiary hearing scheduled on October 7, 2022, the status conference scheduled on September 23, 2022 is canceled. The Court excludes the time between September 23, 2022 and October 7, 2022 from the calculation of the speedy trial deadline and finds this exclusion of time serves the ends of justice and outweighs defendant and the public's interest in a speedy trial.

So ordered.
